Available to Members Only, you may purchase dance passes *only at regular monthly Next Gen Club Dances*. We are offering 5 passes for \$35.00, which represents a savings of \$5.00 (regular Membership dance price is $\$8.00 \times 5 = \40.00).

When you use a pass at any of our regular club dances (*NOT* including Boogie by The Bay or special events), all you have to do is turn the pass in *and* show your membership card at the door.

When you arrive at the dance, someone at the door will collect your pass and check your membership card. There is no need to wait in line to pay. This helps with door procedures and you benefit with a discount.

Sets of five dance passes may be purchased at the door, or by filling out this form and mailing it with your check to the address indicated above. If you use the mail, then once we receive the form we will hold your passes for you to pick up at the next regularly scheduled club dance. If you don't attend and pick them up, we will send your dance passes to you by mail the following week.

Please make checks payable to The Next Generation Swing Dance Club (TNGSDC). Please do NOT send cash through the mail.
